Dear Sirs:

The application erroneously was published without accurately listing the assignee, Southwest Research Institute, on the first page of the publication. The application was filed on January 23, 2002, and the assignee filed the assignment document on June 12, 2002. A copy of the "Notice of Recordation of Assignment Document" is attached hereto – the assignment was recorded on June 21, 2002, Reel/Frame 013022/0131. The application was published February 20, 2003, without listing the assignee. The assignee relies on ownership in its patent applications for marketing purposes and is otherwise damaged by a lack of showing of its ownership in the current application publication.

The assignee respectfully requests that it be listed as the named assignee on the first page of the United States Application Publication. The Commissioner is hereby authorized to charge any additional fees or credit any overpayments related to this case to Deposit Account No. 50-0997 (SwRI-2835-03), maintained by Paula D. Morris & Associates, P.C.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Paula Morris", is written over a horizontal line.
